

# CURRICULUM STANDARDS

---

Valders Area School District gives notice of continued use of the Wisconsin Academic Standards to guide and inform instruction within our schools. Wisconsin Academic Standards specify what students should know and be able to do in the classroom. Wisconsin has academic standards for each of the separate content areas, spanning Pre-K through grade 12. The standards can be found on the Wisconsin Department of Public Instruction webpage at the following link: <http://dpi.wi.gov/standards>
