## ACHIEVEMENT

This priority area summarizes how this school's students performed on state assessments using a points-based proficiency system that gives partial credit for Approaching performance and extra credit for Advanced performance. The score is a multi-year average of English language arts and mathematics component scores.

### Priority Area Score

English Language Arts Score: 55.4  
Mathematics Score: 50.3

## Student Group Achievement, 2024-25 (for information only)

Group size is given in parentheses. Groups with fewer than 20 students do not have a score displayed.

ACHIEVEMENT - ADDITIONAL INFORMATION

Schools receiving Wisconsin public funds are required by law to participate in statewide testing. Test participation rates that fall below the threshold of 95% present an incomplete picture of a school's performance.

## GROWTH

This priority area measures year-to-year student progress on statewide tests. It uses a value-added model that seeks to control for circumstances beyond the influence of educators. A high value-added score means that on average students in the school are progressing more quickly than other, similar students. Growth is scored from 0 to 100 to match the other priority areas and is a conversion from the roughly 0 to 6 value-added score.

### Priority Area Score

English Language Arts Score: 58.4

Mathematics Score: 9.0

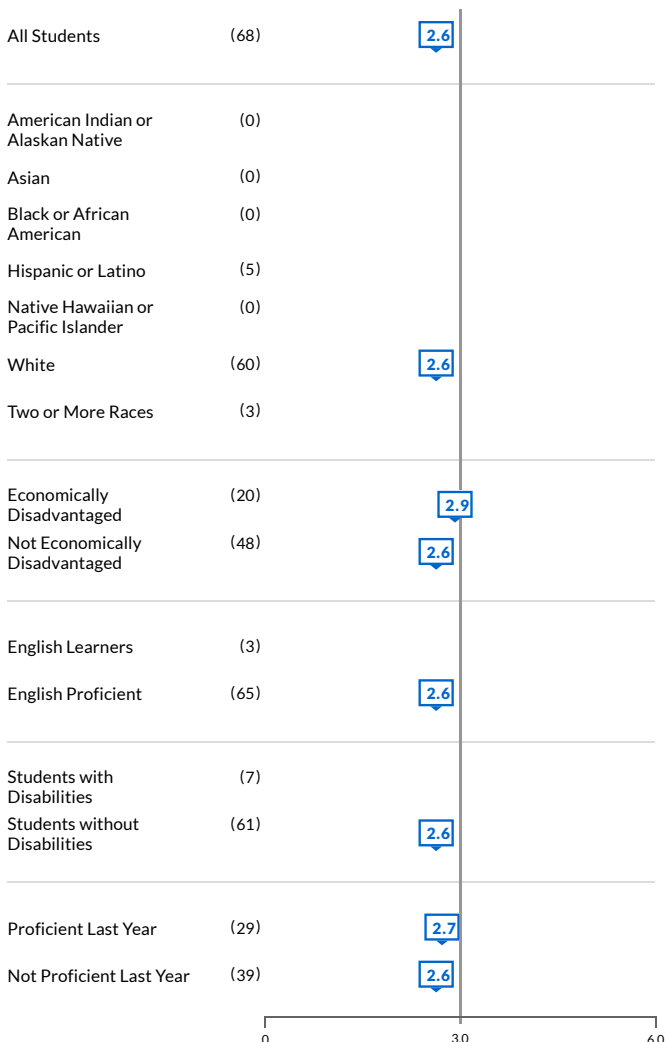

■ This school's score was the same or higher than 2.6% of K-5 schools in the state.

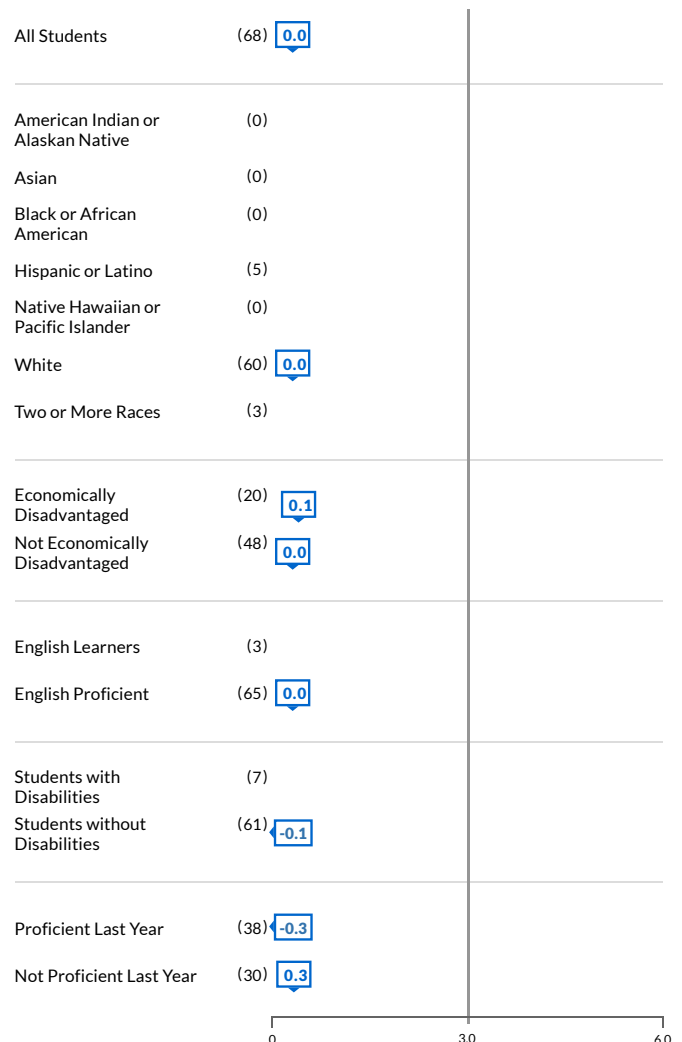

### Student Group Value-Added (for information only)

Value-added scores cover an approximately 0-6 range. Higher scores mean greater positive impact. A score of 3.0 is average. Group size is shown in parentheses. Groups with fewer than 20 students do not have a score displayed. Shaded boxes indicate higher-than-average scores.

TARGET GROUP OUTCOMES

This priority area examines outcomes for students with the lowest test scores — the target group. This measure was designed to inform improvement efforts that result in positive change for learners who most need it while also improving outcomes for all students. The priority area score combines component scores for achievement, growth, chronic absenteeism, and attendance or graduation rate. Data are not displayed when target groups have fewer than 20 students.

Priority Area Score

This school's score was the same or higher than 2.9% of K-5 schools in the state.
