Other (0)	3	(5%)
-----------	---	------

Other items entered: (n=3)

Combination of the options grandparents would be highly involved. Is that fair to place them in that situation? Some grandparents are not open to even visiting with close family. Essential workers are being forced with the thought of staying home to best support at home learning, or have their children struggle through the course work when having to do the assignments in the evening and after supper. Some days we'd have supervision from home, other days not

For the 2020-21 school year, what are your top 3 priorities for the District? (n=60)

Ensuring academic progress of my child (0)	58	(96.7%)
Providing childcare/adult supervision during the school day for my child (0)	12	(20%)
Providing social connections/interaction with others for my child (0)	44	(73.3%)
Offering sports and other co-curricular activities (0)	9	(15%)
Supporting students' mental health needs (0)	20	(33.3%)
Ensuring the safety of students and staff (0)	33	(55%)
Does not apply (0)	0	(0%)

Currently, the CDC, State and County Health Departments are recommending, but not requiring masks when social distancing is not able to be maintained. The District will need to develop a policy for the upcoming school year.

Do you believe the District should require all students to wear masks during the school day and at school-sponsored events when social distancing is not able to be maintained? (n=60)

Other items entered: (n=6)

If teachers are at home have learning support/supervision. If it's a blended situation it's only supervision which we would have to find. Our child will need supervision while at home
 Half of the wk, someone is available.
 both parents will be working fulltime, all learning would need to be completed at night, which there more than likely would not be enough time for!
 please refer to the 2nd grade comments
 Some days we'd have supervision available others not

For the 2020-21 school year, what are your top 3 priorities for the District? (n=62)
