Thursday, May 31  
Elementary School Picnic Lunch

Thursday, June 7  
Last day of school  
4<sup>th</sup> grade graduation 10:00 a.m. Elementary School gym  
School is dismissed at 11:30 a.m.

Monday, June 11  
1<sup>st</sup> day of summer school

\*\*\*\*\*

**Summer School registration is complete. We are currently working to finalize schedules and will send an email to all parents when the schedules are available on Skyward. Please call the office with any questions.**

Dear families,  
Soon the staff and I will be developing our class lists for next year based on our best estimate of student enrollment numbers. The elementary staff uses a team approach to create classes and we use many factors in our decision. The process is well-developed and it is meant to create optimal learning environments for the children. The staff who place the children into next year's classes know the needs of the children extremely well which is why the placement process has worked so well in the past. As a result, we strive to limit the number of specific teacher requests.  
If you feel your child has special factors that may impact his/her placement you may write me a letter about those factors. I prefer that families let us know about such factors instead of a specific teacher request. We will use this additional information during our placement process. Please submit such a letter to me by Monday, May 21<sup>st</sup>, 2018. Class assignments will be available in August at registration time. As always, we will continue to place the children in a warm and nurturing learning environment that will challenge them and help them grow. Thank you for your continued trust and support.  
Sincerely,  
*Mr. Procknow*

***Drop off and Pick up Procedures***  
**Parents! Before and after school, please drop off and pick up in the elementary cafeteria only!** We have noticed some students being picked up in alternate locations. We strive to keep your children safe by being consistent with our procedures. We need your help to make this happen! Thanks for your cooperation.
