

VIKING VOICE

January 4, 2019

Middle School Fundraising: We are still collecting Boxtops for education, and Milk Moola from Kwik Trip. The collection boxes are in the entrance to the middle school. The money we get from these is put towards our playground balls, jump ropes, etc. and PBIS rewards.

The Milk Moola will be discontinuing the program. Please turn in any milk moola bottle caps or bag tops by the end of January so we can get them sent in and not miss out on the funds.

8th grade School fees must all be paid before they can participate in Awards Night. Please take care of fees soon.

School Dental Program information needs to be turned in ASAP. Please fill out and return to the office if you are interested. If you need a form please contact Jane at the office at 775-9520.
