- **Elementary Discussion**
  - Access to Chatterbox
  - Pick up and drop off congestion is a concern
  - Locker rooms – use for storage/bathroom use?
  - Access from Resource Room to Art/Music wing – Create a hallway?
  - Bathroom access – prefer outside in hall
  - Computer lab access or computers on carts
  - When computers become more mobile do computer labs become resource rooms or Fab Labs
  - Need for more storage
  - Greenhouse/Dome playground for cold or inclement weather days
- **Review the Infrastructure Needs Summary for Elementary School**
  - Consider bathrooms as a project – upgrade/add on
  - Furniture – Need for more desks; consider tables for classrooms (adjustable for height and slant); areas to stand and work
- **Review the Infrastructure Needs Summary for Middle/High School**
  - Bathroom accessibility in the 7/8 grade wing
  - Roofing
  - Acoustical treatment for band and choir rooms
  - HVAC, plumbing, water softener
  - Water coolers/bubblers
  - Replace existing steam boiler system
  - Replace some original unit ventilators
  - Replace a number of air handling units
  - Review lighting - interior and exterior with LED lights
- Additional ideas – Re-do track
- Next step will be to put numbers (dollars) to the concepts
- We need to determine what do we need, what do we want, and how do we get there
- Traffic around the school buildings should be considered

- We need to consider the “meat and potatoes” – boilers and old gym
- The next meeting is scheduled for Wednesday, January 4<sup>th</sup>, at 5:30 p.m.
