Child Development Day

Friday, October 2, 2020

8:00am – 12:00pm and 1:00 – 3:30pm

Valders Elementary School

- We invite all 3 and 4 year olds who have not previously participated *
- FREE Developmental Screening including early childhood, speech-language, and motor skills
- FREE book for participants
- Community Resource information available

Children who are 3 or 4 years old and residents of Valders School District will participate in developmental screening activities with trained staff. Before leaving you will receive feedback about your child's growth and development.

*Children need only attend once as a 3 or 4 year old unless our staff has asked that they return for a "re-check" at future event.

Schedule your 30min. appointment today by calling 775-9510

We will be happy to schedule your appointment and/or answer questions!

Please be advised COVID-19 health screener questions will be asked at the time appointments are made and again upon arriving for the appointment. Both parent/guardian and child MUST wear face coverings. Temperatures will be checked upon entering the building.
